## Limited Warranty:

TerraMax Inc., guarantees that this product conforms to its label description and is suitable for its intended use when used in accordance with the label directions before the expiration date. TerraMax Inc. or its representatives must be notified of any complaint within 60 days after planting. TerraMax Inc.'s sole obligation under this warranty shall be to refund the purchase price. TerraMax Inc. shall not be liable for and disclaims all consequential, incidental, and contingent damages whatsoever. Without limiting the foregoing, TerraMax Inc. shall not be responsible for loss or partial loss of crop from warranties, expressed or implied. This limited warranty is void where prohibited by law.

## Instructions:

When planting soybeans in virgin soil, or soils with no soybean rotation in the last 3-4 years, or soils that may require special attention, TerraMax recommends New Tech SI to be used in conjunction with an in-furrow application at planting to intensify soybean nodulation.

## Application Rate:

- 2 fl oz per 100 lbs. seed
- This package treats 400 units or 20,000 lbs. seed.
