TerraMax

TAZO-ST Dry™

Seed Treatment for Turf

Directions for Use:

Use at the rate of 1 pound per 100lbs of seed. Mix thoroughly with seeds to assure even coverage, stirring until seeds are completely coated. Plant as soon as possible after treatment. Avoid breathing dust.

Store in a cool dry place. Avoid freezing temperatures. Use before expiration date. Open package only when ready to use.

Limited Warranty: TerraMax, Inc. guarantees that this product conforms to its label description and is suitable for its intended use when used in accordance with the label directions before the expiration date. TerraMax, Inc. or its representatives must be notified of any field complaint within sixty (60) days after planting. TerraMax, Inc.'s sole obligation under the warranty shall be to refund the purchase price. TerraMax, Inc. shall not be liable for and disclaims all consequential, incidental and contingent damages whatsoever. Without limiting the foregoing, TerraMax, Inc. shall not be responsible for loss or partial loss of crop from any cause whatsoever. The limited warranty is in lieu of other warranties, expressed or implied. This limited warranty is void where prohibited by law.
