

Vertex-IF Row Crop Inoculant

Vertex-IF is an in-furrow row crop inoculant that combines two great TerraMax Products: MicroAZ-IF and Micro PSB-IF in to one amazing product for ease of use and greater yield potential.

The proven performance of MicroAZ-IF and Micro PSB-IF in Vertex-IF gives the plant the benefits of fixing atmospheric nitrogen and increasing root growth through the stabilized bacteria *Azospirillum* and it also has the benefit of improving the availability and efficiency of phosphorus in the soil using phosphorous solubilizing bacteria called *Pseudomonas*.

- BENEFITS**
- Fixes Atmospheric Nitrogen (NFB)**
- Stimulates Root Growth**
- Releases Phosphorous from Soil Particles**
- Compatible with Most Starter Fertilizers**

Guaranteed Minimum Analysis:
 2×10^5 *Azospirillum*
 2×10^6 *Pseudomonas*
 2×10^6 *Pantoea*

Use Rate: 16 oz. per acre
 in-furrow application
 Available in 2.5-gallon jugs.
 Treats 20 acres
